Dear Mayor, City Councilors, and Residents of Methuen,

We would like to take a moment to introduce ourselves as the newly elected Executive Board of the Methuen Police Superior Officers Association. We understand the past several years have been tumultuous and adversarial. We want to share with you our primary goal as a union body is to move forward, working to reestablish the productive relationship our group had previously long enjoyed with the City and its citizens.

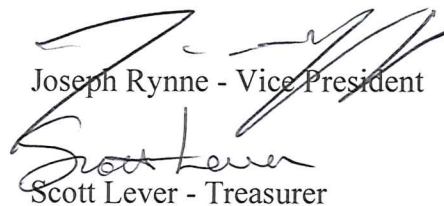

Our members stand dedicated to this department and the City which we serve. We understand change will not occur overnight, however, we are committed to do what it takes to achieve this goal. It is our hope that this letter will demonstrate our pledge to the process. To that end, we ask you to accept this letter as official notice the Methuen Police Superior Officers Association, NEPBA Local 17 will not seek any additional court litigation or appeals as it pertains to the arbitrator's decision. The time has come to move on and close this chapter and we collectively look forward to a new positive beginning.

Our organization stands united focusing on the future of our department and the partnership with our community. It is our hope to open up the channels of communication and work forward together.

Very Respectfully,

James Moore - President

Matthew Mueskes - Secretary

Joseph Rynne - Vice President

Scott Lever - Treasurer
